Plaintiffs,

Civil Action No. 3:17-cv-00072-NKM

v.

JASON KESSLER, et al.,

Defendants.

AFFIDAVIT

I, Karen Stemland, hereby declare and state that I have personal knowledge of the following:

1. I am an attorney licensed to practice in Virginia.
2. I appeared at the Court hearing in this matter on November 25, 2019, at which time Defendant Elliott Kline turned over two phones to Plaintiffs' counsel pursuant to Court order. After the hearing, Plaintiffs' counsel brought the phones to my Charlottesville office. It was late afternoon at the time.
3. Our office administrator packaged the phones in a UPS envelope with a prepaid label and tracking number for overnight delivery. She addressed the package to the third-party discovery vendor in this case.
4. Because the UPS representative and USPS personnel already had picked up the UPS and USPS mail from my office, I took the envelope to the nearest UPS drop-off box.
5. I deposited the package in the UPS box, which had a green sign indicating that it had not been collected for the day. I verified that the package was deposited into the lower portion of the UPS box.
6. Co-counsel informed me the next day that UPS never sent a scanning notification for the package.

7. I have instituted a report with UPS and the Charlottesville Police Department. Both have undertaken investigations. Both investigations are ongoing.

Executed this 13th day of December 2019.
